THE FIRST WING OPENING
LETTER FROM THE HEADMASTER

Dear friends of Artists for Peace and Justice,

My name is Antoine Edy. We opened the doors of our first permanent wing on October 1st of this year to 800 joyful students. We are now providing education to three grade levels, 7-9, who if it weren’t for this school would have nowhere else to go. We have come a long way but still have far to go to reach our goal of providing the only free secondary education to 3000 students from the poorest slums of Haiti.

Our staff and teachers are working very hard to make sure that each student will never again be left behind and our students are thriving because of you and your support. I want to thank you on behalf of all the students, staff and administration here for your generous and continued support.

We have opened our school in the face of the greatest of challenges. We have sweat and toiled for this beacon of hope and the road has been difficult. Please help us to continue to grow as our students grow, each day discovering the joy and pride that comes with acquiring knowledge, knowledge that will allow them to truly change their world, to endow them with the dignity and the tools to remake and rebuild their country.

With deepest thanks for all you are doing and continue to do for the children of Haiti.

Headmaster,
Academy for Peace and Justice
Antoine Edy
